
Alumni Club

CHARLES UNIVERSITY Alumni Club

The Alumni Club is a modern successor of the former Society of Graduates and Friends of Charles University – Carolinum. During an academic year, members are invited, e.g. to a garden party in the Wallenstein Garden, to the Christmas meeting of Charles University as well as to many discussions and meetings with important guests of Charles University. The membership also provides graduates with generous discounts and benefits in university facilities (Dormitories and Refectories, the Sports Centre, Karolinum Publishing House, the Central Library of Charles University) as well as within the Lifelong Learning Programme and with external businesses, grants them access to the CU remote databases and electronic resources, and connects them with other graduates and academics of Charles University.

Graduate societies are active at practically all faculties of Charles University.
