
Benchmark for Supervisors at Charles University

The aim of Charles University issuing this directive is to specify the requirements for, and rights and duties of, supervisors of doctoral students in order to raise awareness about the due performance of this position, unify evaluation standards, and create a support framework for this crucial role to ensure the implementation of doctoral study at the required level of quality.

The draft directive is in line with, and/or complementary to, in particular, the following:

- **Strategic Plan of Charles University** (points 1.3–1.4);
- **HRS4R UK 2024-2026** (point 5.2);
- **University Directive No. 6** – Support and Development of Doctoral Study at Charles University;
- **Charles University Strategy Action Plan** – Defining and creating (favourable) conditions for doctoral students;
- **Higher Education Support Programme (PPROVŠ) Project – Preparation for the implementation of the doctoral study reform 2024-2025.**
